## Experience

### Girls Who Code, San Leandro — *Facilitator*

Sep 2021 - Present

Help young high school girls understand computer science, work in groups, set up lesson plans.

### San Leandro High School, San Leandro — *Librarian TA*

Aug 2020- March 2021

I tend the online books displays for the school's library website, give book reviews for books I read, help with quick projects the librarians ask for at the moment.

### SMASH, UC Berkeley — *Historian*

June 2018 - July 2020

Take pictures and edit them to make an end-of-the-year video.

## Education

### San Leandro High School, San Leandro — *High School Senior*

Aug 2017 - June 2021

High school student who is loosely following the Information Communication Technologies pathway.

### BOOST @ HAAS, UC Berkeley — *Student*

Aug 2017 - June 2021

It's a four-year college readiness program that helps students prepare for their future after high school and also learn some business skills as well. I learned how to create a business plan, and learned a lot about how to choose the right college for our future.

### SMASH, UC Berkeley — *SMASH Alumni*

June 2018 - July 2020

It's a five-week (for three years) STEM program to give underrepresented students of color a place to learn science, math, and how to solve a problem. At the end of the program, students present the projects they worked on and give a presentation.
